Velloza Believes In The Advancement For Better Living. Technology Has Boomed Us With Various Innovations That Grant Us A Better Chance To Innovate. In Earlier Times, There Was No Scope Of Making Scratch Proof Or Slip Resistant Tiles. But With The New Technical Machineries, It Is Possible To Manufacture Vitrified Tiles Which Have Several Other Benefits As Well. Another Major Factor To Help Us Bring About The Latest Products And Designs In The Ceramic Industry Is Our Research Department. At Velloza, We Perform R&D For Each And Every Product We Manufacture Beforehand. This Helps Us Understand The Best Practices Required For Manufacturing And Other Significant Dynamics.

THE SILENT ACHIEVER

There are silent achievers, who celebrate without saying it out loud and goes on discovering the path to their success. 'Carving Effect' is dedicated to them. It is a digital application done on the tile surface with high accuracy. It has the ability to surprise you when you put your hands on it and see it from different positions in different light conditions.
